

OUTDOOR FIRE

Single Peak

This statement fireplace boasts the same much-loved features as its Twin Peak counterpart but with a smaller footprint for when the Twin Peak is just that size too big. With a wood-grain concrete finish and an iconic solitary chimney, this mighty fireplace is the focal point that brings al fresco entertaining to life.

Single Peak package includes:

- 1 x Prefabricated reinforced concrete structure with woodboxes
- 1 x Salt and pepper polished concrete hearth
- 1 x 6mm T1200 black steel firebox
- 1 x Stainless steel swinging cooking grill
- 1 x Black galvanised mesh door
- 1 x Black stainless steel flue with slimline chimney cap (2280h x 380ø)

Dimensions: 3730h x 3500w x 1000d

Weight: 6200kg
