

OUTDOOR FIRE

Twin Peak

As one of New Zealand’s largest precast fireplaces, the Twin Peak is in a class of its own, designed to make a statement. With a large space in mind, this fireplace is grand on an entirely new scale. The double chimney and revolutionary new firebox radiates heat while the wood-grain concrete finish oozes luxury and sophistication. The Twin Peak is the largest fireplace in our range and is guaranteed to not only warm, but also impress your guests with its cooking ability.

Twin Peak package includes:

- 1 x Prefabricated reinforced concrete structure with woodboxes
- 1 x Salt and pepper polished concrete hearth
- 1 x 6mm T1600 black steel firebox
- 1 x Stainless steel swinging cooking grill
